

ALLIANCE FOR WATER EFFICIENCY

BOARD OF DIRECTORS' RESOLUTION

RESOLUTION NO. 2017-02

IN SUPPORT OF DECLARING JULY "SMART IRRIGATION MONTH"

Whereas, the Alliance for Water Efficiency recognizes water is a finite resource that is vital to human life; and

Whereas, efficiently-maintained green spaces are important to the health and well being of communities and individuals; and

Whereas, appropriate efficient irrigation technology, combined with best practices, can significantly reduce water usage and runoff while simultaneously creating healthy and useful landscapes; and

Whereas, July is a peak month for the use of water for irrigation.

NOW, THEREFORE, BE IT RESOLVED THAT THE BOARD OF DIRECTORS OF THE ALLIANCE FOR WATER EFFICIENCY HEREBY DECLARES THAT JULY SHOULD BE DEISGNATED AS "SMART IRRIGATION MONTH"—

(1) to recognize the advances in smart irrigation technology and practices that help maintain healthy landscapes while using water more efficiently; and

(2) to encourage the adoption of smart irrigation practices to further improve water-use efficiency in residential and commercial activities.

I, the undersigned, hereby certify that the foregoing was duly approved by the Board of Directors of the Alliance for Water Efficiency on Thursday, June 8, 2017.

Signed:

Pete DeMarco, Chair
